

Agencies Authorized to Examine and Test Explosives

In accordance with the provisions of § 173.56(b)(1), the agencies listed below are authorized to examine and test explosives in accordance with §§ 173.52, 173.57, and 173.58 and to recommend a shipping description, division, and compatibility group. In addition, the agencies listed may assign tentative classifications for samples of materials to authorize their shipment to designated test sites.
