

Bureau of Explosives Department Contacts and Primary Areas of Responsibility

Strategically placed throughout the United States, Canada, and Mexico, BOE Inspectors work with hazmat shippers everyday performing regulatory compliance audits for hazmat shippers and carriers (road and rail), responding to emergencies, and conducting more than 500 hazmat training sessions each year. Our inspectors reside in or near the following locations:

- | | |
|--|--|
| <ul style="list-style-type: none"> • Los Angeles, CA • Kansas City, MO • Richmond, VA • Pittsburgh, PA • Columbia, SC • Baton Rouge, LA • Chicago, IL | <ul style="list-style-type: none"> • Houston, TX • Texarkana, TX • Toronto, ON* • Montreal, PQ* • Edmonton, AB* • Mexico |
|--|--|

* Employed by the Railway Association of Canada

If you need assistance or have questions about our districts please email the BOE at boe@aar.com.
